About ElectroMech Yale

ElectroMech and Hyster-Yale® have recently entered an agreement for the sales and service of the Yale® brand of forklifts and lift trucks in India.

Yale® is one of the oldest lift truck manufacturers in the world, and is globally recognised as a leading manufacturer of material handling systems for over 140 years. Yale® provides dependable forklifts and warehousing solutions globally.

ElectroMech is India's largest EOT crane manufacturer and the category leader with over 35 years of experience in the field. It is well known for providing the most efficient and reliable material handling solutions in various industry verticals across the world. Over 5500 ElectroMech crane solutions are seen performing in around 50 countries. With efficient pre-sales and post-sales support, ElectroMech empowers industries in enhancing their productivity while ensuring a high level of workplace safety.

The ElectroMech-Yale association benefits from the leadership position of ElectroMech in the Indian market and dependable service support under the aegis of its group company - Cranedge. It is further bolstered by the global technologies from Hyster-Yale®.

ElectroMech-Yale will provide you with optimal solutions for all your material handling requirements. To know more, reach us at yalemhe@emech.in
