About ElectroMech Yale

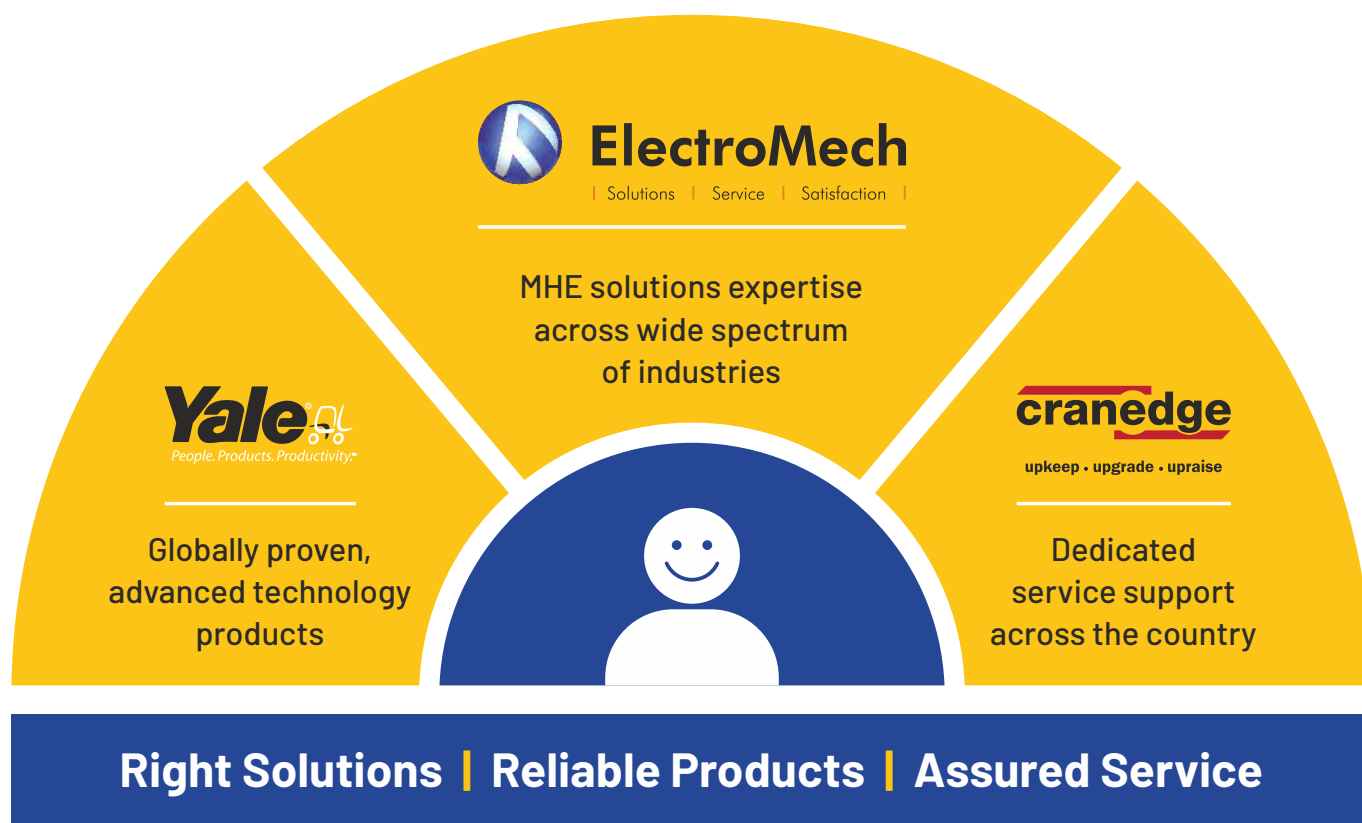

ElectroMech and Hyster-Yale® have entered into an agreement for the sales and service of the Yale® brand of forklifts and lift trucks in India.

Yale® is one of the oldest lift truck manufacturers in the world, and is globally recognised as a leading manufacturer of material handling systems for over 140 years. Yale® provides dependable forklifts and warehousing solutions globally.

ElectroMech is India's largest EOT crane manufacturer and the category leader with over 40 years of experience in the field. It is well known for providing the most efficient and reliable material handling solutions in various industry verticals across the world. Over 7500 ElectroMech crane solutions are seen performing in close to 60 countries. With efficient pre-sales and post-sales support, ElectroMech empowers industries in enhancing their productivity while ensuring a high level of workplace safety.

The ElectroMech Yale association benefits from the leadership position of ElectroMech in the Indian market and dependable service support under the aegis of its group company – Cranedge. It is further bolstered by the global technologies from Hyster-Yale®.

We are confident that ElectroMech Yale will provide you with optimal solutions for all your material handling requirements.

Easy maintenance, like never before!

Smart Kit from Cranedge for your Yale Diesel Lift Truck.

Why is the periodic maintenance of your diesel lift truck so important?

Simply because, if you carry out the periodic maintenance, you will benefit in several ways, such as

- Longer overhauling/maintenance intervals
- Lower brake oil consumption
- Higher fuel efficiency (more mileage)
- Better performance as no overheating of engine
- Internal seals of the cylinder and the hydraulic pumps will last longer
- Reduced overall maintenance cost
- Enhanced life of your lift truck
- Reduced number of breakdowns
- Assured lift truck safety

To get your Smart Kit, contact Cranedge.

**Complete spares
required for the
periodic maintenance
of your diesel lift truck
for 2000-hours of
operation.**

**Complete in
one box**
